Information about Safety Check

To ensure the safety of the delegations, access control is performed in the building used by the delegation, such as Indoor Stadiums, SO Villages, cultural program venues and delegation dining areas in order to prevent any unwanted accidents (i.e. unexpected disappearance of the athletes). Firearms, weapons and flammable materials are prohibited to bring inside of those buildings. GOC asks for the cooperation of the delegations.

Access control

- Access control is carried out as below.
 - Accreditation card holders are verified the eligibility to access via barcode scanning.
 - Visitors and non-accreditation card holders are checked whether possession of prohibited goods by X-ray and metal detectors.
- Athletes may not go out without accompanying coaches or guardians.
- SO Villages : Only authorized people are allowed to enter SO villages via accreditation card verification system. Non-authorized persons are not able to get access to the villages.
- In-door Stadiums & Games Venues
 - The delegations and the games staff entrance is separate from the general audience. Accreditation card verification applies to the delegations and the games staff. General audiences are checked by X-ray and metal detectors.
 - If athletes want to enter other sports venues other than the sport they are participating, they should use the entrance for the games staff.

Requests for SO Programs and the Delegations

- Please inform the athletes that they are allowed to access to the delegations area through bar code scanning.
- The athletes must be accompanied by coaches or guardians.
- Please do not to lose sight of the athletes and be with them with caution.
